

NON-MARINE LIABILITY

THE NON-MARINE LIABILITY TEAM HAS EXPERTISE IN BESPOKE STRUCTURES AND POLICIES TO MEET WITH SPECIFIC RISKS AND BUDGETARY REQUIREMENTS.

The Non-Marine Liability team has expertise in bespoke structures and policies to meet with specific risks and budgetary requirements. We also have access to facilities via the London Market that allow us to place smaller accounts as well as the larger risks.

Professional Liability Coverages include:

- Architects and Engineers – including contractors and designers
- Accountants
- Insurance Brokers
- Lawyers – plaintiff and defence
- Medical Malpractice
- Shipping and Forwarding Agents
- Seedsmen and Crop Growers
- Technology – both first and third party (users and providers of technology)
- Miscellaneous Professions

We also provide insurance solutions for:

- Directors & Officers' Liability – private and public companies
- Employment Practices Liability
- Commercial General Liability
- Public and Products Liability
- Clinical Trials Liability
